Top Skiers Slated for Week End Events at Andover Carnival

Many of the nation's top nordic skiers, including representatives of all of the major eastern college ski teams, will gather at Andover this week end, March 10-11, to compete in national and eastern cross country and jumping contests at the annual Andover Winter Carnival sponsored by the Pineland Ski and Outing Club.

Cross country events start Saturday at 10 a. m., with the running of the 15-kilometer race. This is the first event in the eastern combined. Jumping is scheduled for 1:30 p. m., Sunday. At 2:00 p. m., the junior cross country and nordic combined is slated to get underway with a large field of youthful runners.

Climaxing the first busy day of the two-day meet, a colorful Snow Queen Ball will be held at Andover Town Hall at 7:00 p. m. A queen coronation will highlight the ball. Three local young ladies: Ann Monton, Linda Farrington and Norma White are the contestants for the crown and coveted title of Carnival Queen for 1962. During the evening celebration, prizes will be awarded the winners of the day's junior events.

On Sunday morning, the 30-kilometer national and eastern cross country races will start at 9:00 a. m. At 1:30 p. m., jumpers will assemble at the Lone Mountain 40-meter jump to complete the competition for the eastern nordic combined.

Winners of the national and eastern championships will receive their prizes Sunday at 5:30 p. m., at the Town Hall.

MONDAY FIRE RESULTS IN \$1,000 LOSS

Fire Monday noon at Roy Moore's amounted to a loss of \$1,000, including loss of two small barns, four sheep, seven lambs, four tons of hay, and tools. Cause was unknown as it was not discovered until buildings were nearly flat.

The Week in Oxford County

South Paris appropriated \$12,000 less than in 1961 at the annual meeting. Few attended the meeting. The town of Watford reported the largest attendance in years at the town meeting.

The Fish and Game Department is warning that snow is up to four feet deep on the roofs of camps and cottages. More snow or a rain could cause widespread damage.

Lester Bell, son of Mr. and Mrs. Earl Bell, South Watford, is reported to have regained consciousness at the Maine Medical Center. He was struck by a car when he skied into the road from his home last week.

Oxford County Poultrymen met at Good Cheer Hall, Universalist Church, South Paris.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

At the weekly meeting of the Board of Selectmen held on Feb. 28th it was voted to amend the Traffic Ordinances as follows: that there be no parking of motor vehicles on the southerly side of Main Street, commencing at the driveway between Brooks Bros. store and the Methodist Church and extending easterly to the property of Garey York, to be effective as soon as proper signs to this effect are erected and that it be for a trial period of two months.

There has been considerable discussion among the towns people relative to a solution to the traffic problem in the area. Various ideas have been suggested as to a solution. You will note that this Ordinance is to be tried for a period of two months and if generally acceptable will then be made permanent. Only meticulous and patient driving has resulted in a minimum of dented fenders. The situation as it now exists is certainly an inconvenience to the motorist not wishing to park. The eliminating of parking space on the southerly side of the street will in turn inconvenience some that do wish to park. However it will improve the movement of traffic in the area.

The estimated tax rate for 1962 based on the appropriations at town meeting plus an estimated County Tax of \$7,000 will be \$97 per thousand valuation. The 1961 valuation of \$6,297,121 was used to arrive at this figure.

Sincerely,
Harold L. Bean

10 Contestants Seek Miss Oxford County Honor Here March 24

Ten of Oxford County's loveliest young ladies will compete on March 24th for a total of \$600 in scholarships and awards, as well as the honor of being crowned Miss Oxford County 1962.

Miss Oxford County will compete in the Miss Maine Scholarship Pageant in Portland, and quite conceivably, could go on to the dreamland of young American womanhood, The Miss America Scholarship Pageant. The various areas of the county have been well represented and the contest promises to be a tough one for the judges.

A contestant from East Sumner, Susan Eileen Abbott, is a student at the University of Maine. Miss Abbott is the daughter of Mr. and Mrs. Sidney E. Abbott of East Sumner.

Judith Lee Bernier is the daughter of Mr. and Mrs. Roland Bernier of Upton. Miss Bernier is a graduate of Gould Academy and plans to pursue a career in nursing.

Lorraine Elizabeth Cole of Bryant Pond is now attending the Central Maine General Hospital School of Nursing. Miss Cole is the daughter of Mr. and Mrs. Everett Cole.

Sharon Ann York of Bethel is another contestant with aspirations toward nursing as a career. Miss York is a senior at Gould Academy and is the daughter of Mr. and Mrs. Garey P. York.

Sharon Foster, daughter of John A. Foster of Norway is a senior at Oxford Hills High School. Miss Foster plans to attend the University of Bridgeport.

Cynthia Ann Paul, also of Norway, is the daughter of Mr. and Mrs. Frederick Paul. Miss Paul's ambition upon graduation from Oxford Hills High School is to be an airline stewardess.

A South Paris girl, Brenda Marie Lovejoy, is also a senior at Oxford Hills High School. Miss Lovejoy, the daughter of Mr. and Mrs. Neil Lovejoy, Jr., plans to attend Bryant Stratton Business College.

Sarah Jane Stearns, daughter of Mr. and Mrs. Fred Stearns of North Watford is attending the University of Bridgeport. Miss Stearns plans to be a dental hygienist.

Judith Anne Louvat and Jean Carole Bovin are both of Rumford and attend Stephens High School. Miss Louvat is the daughter of Mr. and Mrs. Rene Louvat and plans to attend Aroostook State Teachers College. Miss Bovin is the daughter of Joseph Bovin.

The Miss Oxford County Scholarship Pageant will be

CHAMBER DISCUSSES RIVER POLLUTION

The March meeting of the Bethel Chamber of Commerce was largely devoted to a general discussion of the pollution problems to be solved if the Androscoggin River is to be satisfactory for recreational boating and fishing.

Gilman Whitman outlined the present situation, pointing out that the river has not been classified by the Maine Water Improvement Commission and if it were classified under present conditions, it would be a Class D river, the lowest of four classifications indicating it is primarily devoted to the transportation of sewage and industrial wastes without causing a public nuisance.

E. J. Reichard of the Brown Company in a letter to the Chamber indicated that the industrial waste problem was under control, that company having spent \$6,000,000 in the past ten years to remove the sulphide waste liquors from the river.

It was agreed that until the cities of Berlin and Gorham build municipal sewage plants the river cannot be considered for upgrading to a Class C river. Mr. Whitman suggested that if Bethel were interested in getting a long range program started, it should contact the Maine representatives on the Androscoggin Interstate Water Control Commission which is now responsible in getting agreement between New Hampshire and Maine as to future action on this problem. If no action is taken by the States, the Federal Government will in time dictate a course of action.

In view of the general interest in this subject, a more detailed report the facts brought out at the meeting will appear in a later issue.

GOULD SENIOR PLAY READY TO ORBIT

At eight o'clock tomorrow evening, Friday, March 9, the curtain will rise on the last dramatic production ever to take place on the stage of William Bingham Gymnasium.

held on Saturday evening, March 24th, at the William Bingham Gymnasium, Gould Academy, Bethel.

The girls will meet at the Norseman Inn for a luncheon with the judges, then from there they will go to the pageant. At the pageant the girls will take part in talent, evening gown and swim suit contests. Miss Oxford County 1962 will be crowned by Elaine Bryant of South Paris, Miss Oxford County 1961.

Bethel Votes to Add School Rooms; Buy Tank Truck; Raise \$37,823 More

At Bethel's annual town meeting Monday evening appropriations amounting to \$249,450 were voted in less than two hours. Money for school maintenance, \$150,287, was appropriated without comment, while lengthy discussions attended expenditures of \$150 and \$200.

This year's appropriations total \$37,823 more than last year.

Re-elected for three year terms of selectmen and assessors were Leroy E. Barker and Robert W. Hastings. Barker had served since September 1960 on the unexpired term of the late John H. Carter. Hastings was elected last August after the death of Harold G. Bennett. They were unopposed.

Increasing the Superintendenting School Committee to five members, three members were elected Monday in the contest of four candidates, Dexter Stowell led with 172 votes. Theodore Chadbourne received 154 votes. Mrs. Barbara Greenleaf 108, and Mrs. Natalie Timberlake 103.

The Bethel Utilities District was turned down by a vote of 131 No - 48 yes by secret ballot during the day.

Recommendations of the Budget Committee were followed except on purchase of a tank truck for the fire department. An appropriation of

Happy memories of at least two generations of Gould seniors will throng about the current production, a fast-moving comedy, "Ask Any Girl," with a cast of 17 who have been rehearsing faithfully for five weeks under Mr. Thompson's direction.

The plot is cleverly woven around one of the latest "gimmicks" in the advertising world of today, the psychological approach known as "motivation research." Centered around such laughable stunts as an agency's testing of different flavored cigarettes, including peppermint and "Essence of Rose," the story speeds along

\$2,000 was made. Town Manager Harold Bean reported that a fully equipped truck had been offered at \$1,650.

After some explanation by Director Stephen Jacobs and Richard Thompson, appropriations of \$200 each were voted for Civil Defense and Emergency Relief.

The usual amount for hydrant rental was granted after opinions on condition of hydrants and their accessibility during the winter were aired by Henry Robertson, Donald Brown, and Manager Bean.

The question of capital outlay for schools was passed over, after a statement of considered plans for moving the South Bethel school building to the village by Superintendent Sahlberg.

The usual appointment of members of the budget committee by the moderator was authorized.

Without opposition it was voted to build and equip a two classroom addition to Crescent Park School as recommended by the School Needs Survey Committee. The selectmen were authorized to appoint a committee of five to have charge of the project. Town officers were authorized to procure a loan of not more than \$50,000.

The selectmen were instructed to appoint a committee of five to recommend a location for a new fire station, type and size of building, procure estimates of cost and report to the selectmen by Dec. 31.

A standing vote was required to determine the voters' opinion of the proposed amendment to the Zoning Ordinance. Designed to prohibit trailers on 10 village streets. A variety of reasons prompted a majority to favor passing over the article.

Visitors Welcome!

Open Week Days 8 a. m.-6p. m., Sundays 2:30-5:30 p. m.

Write for our new price list of Jewelry and Minerals and tumbling supplies.

Greetings:

Would you like to find a gem, polish a stone, make jewelry yourself?

Would you like to know more about the gems and minerals we walk over?

We mine gems and minerals and make jewelry. We polish and cut stones. We will gladly help you to know more about these things if you wish.

We are open all year but this is our quieter season. Naturally we would like to see all our regular and all new customers and friends we can.

Last year was our best — this year looks better. We are making lots of new things—that it would be right to say 'thank you' to our regulars and extend thoughtful appreciation to new people who would like to call with something substantial. The attached COUPON.

You may use the COUPON for orders, paid in advance, for later delivery, i.e. Graduation, Birthday or Christmas.

mas gifts. Use as many coupons as you wish!

Select if you wish from our Unique Gem Chip Jewels \$1.10 to \$5.95. Birthstone rings \$3.95-\$7.50 up. Mineral boxes, gem tourmalines, amethyst, aquamarines or choose a diamond, emerald or ruby. Rings sized!

Last year many Scouts, 4-H groups, school classes and science study classes came to see our museum display of gems and minerals of Maine.

Last year we made up kits for several thousand Farm Bureau Extension and other club people so they could have fun and save money making jewelry.

The spring is an especially good time for people to call and see gem cutting, gem tumbling, jewelry making or to polish a gem yourself at our wheels. Glad to have you.

Drop in—we'll try to let you have some fun develop from it!

Yours Rockfully,

NEW HOMELITE

Get Money-makin' Power!
• only 19 pounds, less bar and chain
• falls trees up to 3 feet in diameter
• as little as \$4.95 weekly after small down payment

New Homelite 707D has what it takes to make real money in production cutting. New, greater power-per-pound. Now big, vertical filter stays cleaner longer. Extra-husky crankshaft takes any cutting abuse. New, roller-type sprocket increases bar, chain and sprocket life. New "on-off" switch gives easy, fingertip control. Come in by the Homelite 707D, yourself. You'll see why, for production cutting, it's a top money-makin' saw.

GOULD SENIOR PLAY
 continued from page one
 thru three fun-filled acts to a satisfying romantic conclusion.

A previous Citizen article mentioned the many local students who have prominent parts in the play. Balancing their talent are a number of boarding students whose portrayals in rehearsal also have a near-professional touch. These include Gary Hill as the hard-driving ad agency president, Wendy Tyson as the small-town girl who wants a career in New York, Dick Moody as her understanding dad, Peg Davis, Debby Appleton, Sharon Cole, Joan Austin as decorative residents in a New York girls' hotel, Steve Groves as a "smooth operator," Al Blunt as his "Milquetoast" assistant, all key parts in the plot.

A brand-new set has been constructed by James Owen and his art class. Mr. Owen in addition will lead the Gould band in entre-net numbers.

Tickets will be on sale at the door under Steve Saunders' direction, with doors opening at seven o'clock.

TODAY'S Meditation

The Upper Room
 THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read Proverbs 3:106;
 Psalm 25:1-10
 In all thy ways acknowledge him, and he shall direct thy path. (Proverbs 3:6)

Going home late one stormy, cold night, I was stopped at a railroad crossing by a freight train. As the great diesel rolled past, I could see a faint light in the control cabin. I knew that within that cabin were men alert every moment of the trip. Regardless of the night, they would direct that great train on its journey carrying merchandise of great value.

This reminds me that God is at the controls of our lives. He is ever watchful, always guiding, no matter how stormy the night, or how desolate the day. Sometimes the journey is difficult; but if we allow Him to guide, He will bring us through successfully. It is only when we think we know it all and think we can control our destinies that we get off the track.

As the great train rolled on, it finally passed out of sight and hearing. I breathed a prayer. I prayed that I might always let God have complete control of my life; that He

would be by personal God, and direct my paths in Christlike living.

PRAYER: O God, help us this day to put Christ in complete control of our lives. Thus when the day is ended, may we have the satisfaction of knowing that he is our personal guide. In His blessed name we pray. Amen.

Thought For The Day
 For successful living, we need to let God have control of our lives.

COUNTRY FLAVOR

MARCH MEANINGS

This is Crow Moon month and the far-carrying calls of the big black birds on a melting morning match the mood of the season. March can be benign and amiable; it can be rough and fiery. And the countryman thinks the calls of the crows are in keeping either way.

If March performs to please the maple syrup makers, it should have frosty, star-bright nights and warm, mellow days. Then the sap flows fast and gray-blue smoke billows from old saphouses crouching among gaunt maples. Blue jays bugle as they flash above the maple grove and the chickadees come around and chant their sweet, two-note spring song.

W. S. C. S.

The evening circle of the W. S. C. S. met at the home of Pat Clemons with 17 present, including several guests.

Devotions were read by Frances Saunders. Sick calls for the month reported were 76. Gift shop committee reported plans were well under way for the summer. Stamped goods and material for aprons are available from Lettie Hall, also yarn from Sylvia Luxton.

Next monthly meeting March 15 at the church with Jan Richardson as speaker.

Meeting adjourned and Virginia Keniston presented Betty Tebbets who told of her life in Japan in a most interesting informal talk.

Refreshments were served by the hostesses.

Osgood Jr., and family, of Milan, N. H., Mrs. Jennie Brown, and Mr. and Mrs. Willis Bean and children of Newport, were among those here to attend the wedding reception for Mr. and Mrs. Malcolm Bennett Sunday.

Maurice Beaupre of Rochester, N. H., spent the week end at his home here, and visited the Hollis Grindles. Mr. and Mrs. Harold McCulloch of Andover were also callers there.

Betty and Mark Bean and Mrs. Marion Kimball have been on the sick list.

Mrs. Ralph Kimball was in Auburn and Mechanic Falls one day recently on business.

March is not predictable. In some years the Winter King hurls his worst storms; powerful winds gust from the north and toss the branches of the elms and maples around the farmstead. Zero spells sometimes blister the granular snow and wildlife seeks sanctuary from the harshness of late winter.

But there are deep meanings in March. The heart responds to the bright glory of dawns and the flaming sunset pageants. Each day the sun climbs a higher trail, and a countryman on the way to the barn in the morning, stops a minute to look at the buds on the old-fashioned purple lilac.

Man grows impatient, but Nature is never hurried. Each season of year blends into the next and the anciently-ordained schedule is always fulfilled. There is only one way to live this experience we label life. Take each day for an entity, and from it savor the great meanings.

ENGAGEMENT ANNOUNCED

Miss Evelyn Alice Mundt

Mr. and Mrs. Malcolm Mundt announce the engagement of their daughter, Evelyn Alice, to Cole L. Wing, son of Mr. and Mrs. Arthur Wing of Rumford.

Miss Mundt is a senior at Gould Academy. Mr. Wing graduated from Stephens High in 1960. He is employed by the Maine Central Railroad.

No date has been set for the wedding.

Price, spice and everything nice!

Who ever thought a car that saves like this could have so much sizzle? Chevrolet engineers that's who! Liveliness and luxury for a low, low price were exactly what they had in mind to begin with. And they began from scratch with a whole earload of ingenious new ideas designed to give you more for your money. That spunky 6 with gas-sipping stinginess is just one example. Another: a new unitized Body by Fisher that's fit for a full-size family inside, easy to park

outside. Still another: tough but gentle one-piece Mono-Plate rear springs that outdo many a bigger car for quiet comfort. Any wonder Chevy II won Car Life magazine's 1962 Engineering Excellence award hands down? (The wonder would be if you settled for anything less—once you get your hands on one at your Chevrolet dealer's!)

EAST BETHEL

Mrs. David Foster, Corres.

Mrs. Bertha Wilson of Gore Road, Bethel, was a visitor of Leslie Estes at the DesRoches Boarding Home one day last week.

Miss Judy DesRoches and Phillip DesRoches were Sunday visitors of Mr. and Mrs. Arthur Richards in Dixfield.

Neil Olson has a beagle puppy named Carol Leona.

John Foster was home over the week end from his work in Boston.

Mr. and Mrs. Oiva Whitman, Dawnlyn, Charles and Debbie, of South Paris were Sunday guests of Mr. and Mrs. Carroll Curtis.

Ray Pfeiffer of Bethel was a week end guest of Neil Olson.

Mrs. Lillian Moore and Mrs. Evelyn Harrington of South Paris were week end visitors of Mr. and Mrs. Haakon Olson, Mr. and Mrs. Chester Harrington, and Mr. and Mrs. Charles Smith.

Miss Lorraine Olson was guest of honor at a birthday party March 3 at the home of

Miss Judy Currier in Bethel. She received many nice gifts. Those present were Esther Harrington, Gloria Harrington, Geneva Kimball, Josephine Foster, Pat Chase, the guest of honor and the hostess.

Kathy Howe has returned to school after being ill for several days.

Alan Howe has been ill this week.

Mrs. Gerry Howe is still with her mother, Mrs. Stanley, in Middle Intervale. Mrs. Stanley is improving slowly.

Charlie Haines has returned to school after being ill for several days.

Miss Dorothy Bartlett was home Wednesday from her work in Boston.

Cpl. John Wesson of Fort Meade, Md., was a week end guest of Mr. and Mrs. Almon Coolidge and Mrs. John Wesson.

The meeting of the Lucky Clover 4-H Club was called to order by the president, Miss Judy DesRoches, at the home of the junior leader, Miss Josephine Foster on March 1. The flag and club salutes were given and the Lord's prayer was said. The secretary's and treasurer's reports were read and accepted. The meeting was conducted by the assistant leader, Miss Laurie Olson and the junior leader, Miss Jodie Foster. We talked about the possibility of having a dance soon, but decided to wait until after the public meeting. Health rules were discussed and what health has to do with good grooming. We worked on the program which we will present at the public meeting to be held on Friday, March 9, at the school house, at 7:30 p. m. We hope there will be a good attendance. After the meeting was adjourned we all enjoyed refreshments of sandwiches and milk.

TO REBUILD TWO MILES OF ROUTE 26 IN WEST PARIS

The State Highway Commission will open bids March 23 for the construction of a section of Route 26 in West Paris. The project calls for rebuilding about two miles of Route 26 roughly parallel to the Little Androscoggin River in the vicinity of Snow Falls. The section begins at Moose Pond Brook Bridge (about a half mile south of Trap Corner) and extends southerly past the falls to a point about a mile north of the Paris-West Paris town line. The new construction will take the hazardous curves out of the existing cement concrete road and improve the grades.

Considerable work will be done in the area adjacent to Snow Falls. Ledge will be excavated on the east side of the highway and fill placed on the west side to take the curve out of the present road. A scenic turnout and picnic area will be built. The completed highway will have a 24-foot bituminous concrete pavement and 8-foot gravel shoulders.

EVENING EXTENSION

The Bethel Evening Extension will meet at the Home Ec Cottage Tuesday evening, March 13, at 7:30. The subject for this meeting will be Home Nursing Care. Hostesses: Ada Durell and Marion Kimball.

Sewing Classes - Everyone who signed up to make a dress will meet at the home of Abbie Brown Monday evening, March 12, for a pattern fitting class. This is the first class and everyone is urged to attend.

The Universalist Fellowship Club met Wednesday preceded by a 6:30 pot luck supper served by Mr. and Mrs. Arthur Kimball, Mr. and Mrs. Howard Surratt and Mr. and Mrs. Ernest Packard. The business meeting was presided over by President Wendall Twitchell. There was a report from the committee appointed to put on a variety talent show Frank Packard, H. Stanley Andrews and J. Everett Howe. It was announced that the show would be held in the Woodstock gym March 23 at 8 o'clock. Mrs. Frank Packard was appointed chairman of refreshments. Entertainment was furnished by Miss Mary Ellen Andrews, who danced a Hawaiian dance, complete with grass skirt. Movies of a trip through the Allagash Region were shown by H. Stanley Andrews. Appointed to serve on the March supper are Mr. and Mrs. Ralph Verrill, Mr. and Mrs. Olin Dudley, assisted by another couple.

The Jolly Workers 4-H Club met at the home of Paula Howe Wednesday evening. Paula demonstrated making fudge brownies and Linda Billings making apple cake. Alan Twitchell led the boys in a scramble game identifying various trees. Leader, Mrs. Mary Emmons, instructed the girls in making five different seams. Refreshments were served by Kathy Emmons and Alan Twitchell.

The February meeting of the Woodstock PTA association was held in the Central Building on Tuesday evening. The business meeting was presided over by the Pres. Gertrude Gaugier. It was reported that to date there were 65 members of the Woodstock PTA. The banner was won by the 7th grade. A report was made on the fact finding committee by Ernest Packard and although nothing definite has been decided, several suggestions for recreations for the students were discussed. A speech on Founders Day was written and presented by Mrs. Gaugier. Many of the accomplishments of the Woodstock PTA for the past year were listed and included a bicycle safety program, repairing playgrounds and equipment, milk program, etc. An award has been received from the State PTA for a 10 per cent increase in membership.

The first life membership award was presented to Mrs. Rena Howe by chairman of that committee, Mrs. Mary Emmons. Mrs. Howe expressed her gratitude for the honor conveyed.

SOUTH WOODSTOCK — UPTON

— Mrs. Olive Davis, Cor. —
Pvt. Leroy Kennison has been having a 13 day furlough from his duties in the Army and has been spending it with his parents, Mr. and Mrs. Kenneth Kennison, and family.

Ellis Davis is playing with the Vagabonds at Welchville Saturday nights.

Schools are open for another seven week period.

The big question is When is it going to stop snowing? We are getting a heavy layer on the ground and no sign of a let up yet. Many people have been sick with colds and stomach upsets, probably caused by the prolonged foul weather.

Mr. and Mrs. Harlan Andrews and Mr. and Mrs. Wendell Allen of Buckfield went to Portland Saturday and stayed over night at the Eastland. Sunday they called on Nina Steves and Mary Curtis. They report cold and windy weather in Portland.

Many attended town meeting Monday night at Bryant Pond.

Ellis Davis attended West Paris Grange meeting Thursday night. Waino Heikkinen was guest speaker and showed some of his beautiful slides as part of the program.

— Mrs. C. A. Jenkins, Cor. —

Judging by the way the wind has blown here for three days last week, we could almost believe we are living in North Dakota. To go with this, the temperature has stayed below zero most of the time.

Fred S. Jenkins has bought a 1960 Volkswagen bus.

Mrs. Armand Lavallee took her son, Laurent, back to Springfield, Mass., Friday afternoon, ready for another term of school. He has just had a week of vacation at home. Mrs. Lavallee will visit relatives and return home Sunday, March 4th. Her son, Wilfred accompanied her.

Roland Bernier took his son, Lucien, back to Stearns High School at Millinocket, after a week's vacation at home. They went Sunday, Feb. 25th.

The Andover Woods Products Inc. have nearly completed the job in town on which they have been working since last fall.

The Ladies Aid met Thursday afternoon March first, at the home of Mrs. Jennie Jenkins. Five squares of crazy work were brought in, for the quilt to be made for the fair

next summer. Each one pays as many pennies as there are pieces in the 12 inch square. The quilt will go to the one who has the most pieces in one square, though anyone may make as many squares as she wishes. Also several pairs of mittens were brought in. Some plain, some fancy. Many other projects were discussed.

On Friday forenoon March 2, there was a chimney fire at the home of W. L. Brown. Though it might have been serious without help, there was no particular damage.

Mr. and Mrs. Albert Mitchell of Sebago spent the week end at the DeGrasse camp on Back Street.

Mrs. Esther Williamson of Sunday River was over night guest of her son, Richard Williamson and family Sunday night. She attended town meeting on Monday, returning home that afternoon.

A very quiet town meeting was held at the Grange Hall Monday, March 5. The meeting was completed by noon. Then the community dinner was served.

Everything in the world is good for something.

— John Dryden

SUNDAY RIVER

— Mrs. R. M. Fleet, Cor. —

Raymond Foster strained his back while shoveling snow, so is under the care of a doctor.

Carl Nowlin shoveled paths for the Earl Williamsons after our recent storms.

Mr. and Mrs. John Nowlin received word that their youngest son and wife, the Kenneth Nowlins of South Paris, are the proud parents of a baby girl born Feb. 28 at Norway.

The Mary Morin children were the ones to have the measles this week. All are able to be out but Roland and Peggy.

Plans are under way to open the Sunday River Sunday School on March 25.

Shell dealers suggest 10 ways to cut car repair bills

Your car is probably the second biggest single investment you'll ever make. Here are 10 pointers from Shell that can help you protect that investment. They're easy to follow. And they might well save you a lot of trouble, as well as needless expense.

1. Check your cooling system hose for weak spots. Inspect all of the rubber hoses that interconnect your cooling system. If they are cracked, cut or swollen, they could give way at any time and cause engine temperature to soar. The result: a troublesome breakdown. Less serious, but a potential cause of overheating, is a debris clogged radiator. Ask your Shell dealer to use his air hose to clear away clutter on the outside of your radiator.

2. Touch up scratches before rust sets in. You can discourage the spread of rust by using touch-up paint on body scratches. Rust also likes to plug drainage holes on the underside of car doors and body panels. Keep those holes open (a screwdriver or any pointed instrument works fine) and you may well prevent a rusted-through door or body section.

3. Avoid 100-foot trips. It's a mean trick to start a cold car, drive it just a few feet, then turn it off. Yet people often park in front of their homes, then drive into the garage later on. This can increase engine wear, dilute your oil with

unburned fuel and give sludge more chance to form. If at all possible, drive right into the garage when you arrive home.

4. Look for oil streaks on inner walls of tires. It may take a bit of back-bending, but it's well worth the effort to check the side of your tires you seldom see—the side facing in. If there's any sign of leaking fluid on tire walls, tell your Shell dealer. A leaking brake cylinder or rear axle oil seals could be at fault. Either can lead to extensive repairs if not corrected right away.

5. Obey the cardinal rule of car care. A professional lubrication job is still the best way to keep your car in good health. But it should be done on a regular basis—not "every so often." For safety's sake, Shellubricate every 1000 miles. If your car has an automatic transmission, your transmission fluid level should be checked regularly. Your Shell serviceman can do this for you during Shelllubrication.

6. Never "gun" your car to warm up your engine. It doesn't help a bit. Matter of fact, it can do more harm than good, even increase engine wear. Many drivers also think it's worthwhile to idle their cars on a cold morning. But, with today's modern engines, it isn't necessary. It just wastes gasoline. Far better to start your engine, wait a few seconds until it's running smoothly—then be on your way, but at moderate speed.

7. Check a terribly neglected little accessory. People seldom give their windshield wipers a second thought—except when it rains. But wipers wear out too. Instead of wiping your windshield, they can smear and scratch it. Wiper blades are easy to replace—but windshields aren't. Ask your Shell dealer to check

your blades and wiper arms next time you see him.

8. Get a midwinter anti-freeze check. If you've had to add water to your radiator in the last few months, you may have less anti-freeze protection than you think. Let your Shell dealer check your coolant with a hydrometer—to make sure an extra cold night won't cause trouble. *Reminder:* If you got a Shellzone anti-freeze guarantee this winter, you're entitled to free refills, if necessary, until April 1, 1962.

9. Don't let front wheels hit the curb. Banging front wheels against the curb is tough on wheel alignment—and tires too. So, approach the curb carefully when you park. This sounds like a small thing, but it can help prevent costly front end problems. *Suggestion:* look at the tread on your front wheels right now. If they show uneven wear, your front wheel alignment may need attention.

10. Give your car an occasional change of scenery. A steady diet of city driving adds to the combustion deposits inside your engine. This deposit buildup can reduce your car's power and, eventually, may cause trouble. But many of the deposits that come with city driving will fly out the exhaust when you hit the open road. So, take your car for a turnpike drive this weekend. It can be good exercise for it. And a pleasant afternoon for you.

The trip was made by plane from Tampa and they were accompanied by Richard Perkins of Norway, formerly of Bethel.

NAZARENES INVITING TO SUNDAY SCHOOL

In an effort to reach families and individuals who do not have a Church home, the Sunday School at the Church of the Nazarene launched a special invitation and attendance emphasis last Sunday morning. A similar emphasis is going on in Nazarene Churches throughout the Maine District during the six Sundays from March 4 to April 8.

The Sunday School was divided into two competing teams. Individuals work for their team by inviting people to the Sunday School and by helping to provide transportation for new folk if it is needed.

In keeping with this emphasis, the morning sermon, "Sower, Seed and Soils," dealt with the work and teaching ministry of the Sunday School. Rev. Patnode said, "In many cases the Sunday School is the growing edge of the Church...he who cuts himself off from the ministry of the Sunday School deprives his soul of meaty spiritual food and his Christian life will suffer."

Realizing that the Sunday School builds moral and spiritual character, J. Edgar Hoover has long supported this work and has said, "If more of our children can be reached by the Sunday School, we will be much nearer a real solution to the crime problem."

The Church of the Nazarene provides Sunday School classes for all ages including adults and new classes are being added as the attendance grows.

SUNDAY RIVER JUNIOR GIANT SLALOM

Eighty youngsters competed in the Sunday River Junior Giant Slalom last Saturday. All under 14, these Class III and IV members of the U. S. Eastern Amateur Ski Association enjoyed excellent conditions as the hard-packed powder held firmly to the course.

Earlier this winter the Ski Club ran the Sunday River Giant Slalom, open to Class I (age 16, 17) and Class II (age 14, 15) skiers.

In the Junior Giant Slalom Saturday Cathy Harrington of Burlington, Vt., won the Girls' Class III by a six second margin, topping all but four of the 56 boys. A week earlier her older sister, Patty, 17, won the Eastern Junior Slalom Championship at Sunday River.

Boys' Class III was won by Chris Cain, also of Burlington. Pam Reed of Meredith, N. H., and Terry Palmer of Kearsarge, N. H., won the Class IV events.

Girls III: 1, Cathy Harrington, Burlington, 43.7; 2, Christie Rusch, Stow, Vt., 49.7; 3, Jane Howe, N/A, 51.5; 4, Margaret Dole, Portland, 53.3; 5, Patricia Plummer, Augusta, 56.5.

Girls IV: 1, Pam Reed, Meredith, N. H., 47.5; 2, Janice Thompson, Auburn, 51.6; 3, Nancy Pitcher, Turner, 52.4; 4, Lucy Boynton, Center Conway, N. H., 53.3; 5, Betsy Anderson, Auburn, 53.5; 6, Sheila Leavitt, Turner, 53.5.

Boys III: 1, Chris Cain, Burlington, Vt., 42.8; 2, Richard Garrett, Jr., Portland, 43.0; 3, Paul Reed, Meredith, N. H., 43.2; 4, Eric Anderson Auburn, 43.3; 5, J. Head, Bartlett, N. H., 43.8.

Boys IV: 1, Terry Palmer, Kearsarge, N. H., 44.0; 2, Tyler Palmer, Kearsarge, N. H., 45.4; 3, John Thaxter, Sugarloaf, 46.6; 4, Greg McLeod, Gorham, N. H., 48.1; 5, Dick Wiken, 48.8.

RED CROSS MONTH

March is Red Cross month. Please remember when the dedicated solicitor calls on you that it stands for proven aid from National Headquarters in the event of major disasters; for ever-present aid to our servicemen; and for our children's swimming program among other local benefits. Last year approximately 88% of collections came back to Bethel.

We are fortunate to again have the services of Beverly Blake as water safety instructor, and Cliff Laws has agreed to tackle the transportation problem with funds made available by the Town.

The schedule of solicitors and beach patrol will be published soon.

SAMUEL T. SMITH

Samuel Thomas Smith, C. W. O., U. S. N., (Ret.) died at Chelsea Naval Hospital Tuesday after a long illness.

He was born in Andover, Maine, Sept. 9, 1883, the son of Owen P. and Lucia F. Smith. He retired from the U. S. Navy in 1946. He married Alice Dyer of Augusta, who died in 1951.

A resident of Bethel since 1947, he previously lived at North Newry, where he operated the Appalachian House (formerly Poplar Tavern) and had also carried on the 1817 House at Hanover.

He was a Past District Governor of Multiple District 41, Lions International, and a member of the Fleet Reserve Association, Kora Temple, and Mundt-Allen Post, American Legion.

Surviving are a daughter, Mrs. Albert Smith (Lucia), a son, Thomas, and four grandchildren, all of Bethel; two brothers, Chester O. and Frank H. Smith of St. Petersburg, Fla., and one nephew.

Funeral services will be held at the Bethel Congregational Church at 2 o'clock Saturday afternoon. Burial will be at Andover.
